

Communications Public Safety Dispatcher

Oxford County Regional Communications Center/ Public Safety Answering Point

The Oxford County Regional Communications Center / Public Safety Answering Point has immediate opening for experienced Public Safety Dispatcher to provide emergency and non-emergency dispatch services for law enforcement, fire service, and emergency medical services. Position is full time; include all hours, weekends, holidays, and some overtime. Positions require significant interpersonal and communication skills, to include oral, computer knowledge, and written, as well as use of radio, teletype, computers, and telephones. The working environment within the Communications Center can be high-pressured and fast-paced. Applicants shall have the ability to receive and disseminate information accurately and without delay; and pay close attention to detail.

Candidates will possess a minimum of a high school diploma and will undergo a significant background check. Due to the immediate need, preference will be given to individuals possessing Emergency Telecommunicator Course Certification, Emergency Medical Dispatch Certification, Emergency Fire Dispatch Certification, NG 9-1-1 Guardian Equipment, EMS licensure and knowledge of NCIC, METRO, and Spillman records management system software preferred but not required. Experience a plus.

Candidates must successfully complete and pass a full background investigation, to include polygraph examination.
